Dear families,

Introducing the academy's new Executive Principal

We are writing to share the news that Dr Foley has been appointed CEO of a multi-academy trust. We are grateful to Dr Foley for his contribution to the Harris Federation, including at Harris Science Academy East London, and know he will be a great success in his new role.

We are also thrilled to share information about the new Executive Principal of HSAEL, Mrs Lisa Kattenhorn, who is an extremely inspiring and experienced leader from within the Harris Federation.

In fact, Mrs Kattenhorn has been a Harris leader since 2006 when she was among the senior team that took one of our early secondary academies in Croydon from Ofsted's Special Measures category to Outstanding. She later established two of our new Free Schools as Founding Principal of Chobham Academy here in Newham and then Harris Academy Tottenham. With her own academic background in science, Mrs Kattenhorn is particularly keen to ensure we make the most of our specialism.

Currently Principal of the 'Outstanding' Harris Invictus Academy Croydon, a school which has had exceptional academic results under her leadership, Mrs Kattenhorn will oversee both schools. In doing so, she will work closely with Mr Taylor and me.

Mrs Kattenhorn has already been spending time at HSAEL and is looking forward to meeting parents in due course.

Yours sincerely,

Mr C Everitt
